Team Tennessee

TCIA is an active community of top captive professionals working on your behalf. Thanks to the hard work and dedication of TCIA members, Tennessee has one of the most favorable captive laws in the U.S.

As a result of TCIA's legislative action, Tennessee now allows:

- ONE YEAR TAX HOLIDAY for alien captives re-domesticating to Tennessee, which helps reduce or eliminate the costs of moving
- DORMANCY PROVISION provides an easy alternative when traditional markets offer competing coverages at attractive prices. Captives can restart at any time.
- FOREIGN CURRENCIES permit captives to use foreign currencies to collect premiums and pay claims
